

Ivy Manor Assisted Living Facilities and the Ivy Manor Memory Care Unit, provide state-of-the-art facilities in a warm, cozy, home like setting. We serve the frail and elderly, physically disabled, terminally ill and those suffering from Dementia and Alzheimer's. Our qualified and dedicated 24 hour staff, assist residents with their day to day physical, medical, mental, nutritional, social and spiritual needs and provide a strong support system for the resident's families. Residents enjoy a variety of activities, social events, exercise classes, musical events and one-on-one experiences, while allowing for privacy to pursue their own preferences. A family owned and operated business, not a big corporation, we strive to provide quality of life, wellness and healthy living in a small town setting.
